

**Self-Sponsored
Short Term Training Program (STTP) on**

“MACHINE LEARNING”

28 August to 01 September, 2017

REGISTRATION FORM FORMAT

(Please use separately attached Registration form for sending the application)

Name:

Designation:

Organization:

Qualification:

Correspondence Address:

.....

.....

Tel(M)

Type of participation:.....

E-Mail:

Registration Fee is paid in the form of DD/Online-Transform to Institute's Account.

Amount

No.....Date

Name of the

Bank.....

Accommodation Required: Yes / No

Date: Place:

Signature

Note:

- Demand draft should be made in favour of **Director, NIT Raipur**, payable at Raipur.
- The detail for online bank-transfer is attached with the registration form.

Chief-Patron

Prof. Sudarshan Tiwari
Director, NIT Raipur

Patron

Prof. S. Sanyal
Dean (R&C), NIT Raipur

Conveners

Prof. S. Verma
Dean (Acad.), NIT Raipur
Dr. S Pandey
(HoD), Dept. of IT

Coordinators

Dr. R. K. Chaurasiya
Asst. Prof., NIT Raipur
Dr. P. K. Mishra
Asst. Prof., NIT Raipur
Mr. T. P. Sahu
Asst. Prof., NIT Raipur

Address for Correspondence

Dr. R. K. Chaurasiya (Asst. Prof.)

**Self-Sponsored One Week
Short Term Training Program
on**

“MACHINE LEARNING”

28 August to 01 September, 2017

Organized by

**Dept. of Electronics and
Telecommunication Engineering**

&

Dept. of Information Technology

**National Institute of Technology
Raipur-492 010 (Chhattisgarh)**

About the Institute:

National Institute of Technology Raipur situated in the capital of Chhattisgarh, has proven to be "avant-grade" in the field of science and technology over past few decades in this region. With sweet memory of foundation ceremony by our president Hon'ble Dr. Rajendra Prasad on 14th September 1956, the institute started with two departments namely Metallurgical and Mining Engineering. Later the inauguration of the Institute building was done by our Prime Minister Hon'ble Pt. Jawahar Lal Nehru on 14th March 1963. From 1st December 2005, the institute has become the National Institute of Technology. It is well connected with Mumbai, Delhi and all metro cities by regular flights and is on the main Howrah-Mumbai railway route. The institute is 5 km from the Raipur railways station and 18 km from airport on NH-6, the Great Eastern Road.

About Departments:

The **Dept. of Electronics and Telecommunication** came into existence in 1985. The **Dept. of Information Technology** was started in year 2000. The departments aim to be national leaders in imparting quality education, carrying out research and technology development. Both the department provides an outstanding research environment and offers academic program leading to the award of B. Tech, M Tech and Ph.D. degrees.

Venue:

NIT Raipur (CG) – 492 010, INDIA

Objectives:

Machine Learning (ML) plays a significant role in the modern engineering and information processing systems. It is a rapidly growing field.

Machine Learning is an essential part of pattern recognition, object detection and classification, clustering, data mining and speech recognition etc.

The aim of this STTP is to provide an exposure to both basics and recent advances in Machine Learning to the teaching and research community associated with the departments of Electronics, Electrical, Computer Science, IT, MCA, Bio Medical etc. The trainings will cover pattern recognition and data mining fields specifically.

Speakers:

Expert lectures will be delivered by the faculties of the various branches from the institute. Hands-on sessions are suitably designed to supplement classroom discussions using Matlab software.

Eligibility:

Participation in this short term training program (STTP) is open to the under-graduate students, post-graduate students, faculty members, engineers, researchers, and other executives working on diverse fields in electronics engineering, computer engineering, electrical engineering, instrumentation engineering, biomedical engineering, biotechnology, mechanical engineering, etc.

Selection:

The course coordinators reserve the right of selection of participants. The seats are limited to 35 candidates. The preference will be given to the participants from outside the institute (NIT Raipur). Intimation regarding selection will be sent to the candidates by email as per the schedule. Certificates will be issued to the participants only after attending the complete course. No TA/DA will be paid to the participants. However, paid accommodation and food facility may be provided to outside candidates at the institute hostels, at an additional cost of Rs 200/- per day.

Topics to be covered:

- Introduction to Machine Learning (ML).
- Hand-on training on Matlab.
- Introduction to data mining.
- Types of classification, supervised and un-supervised learning.
- Statistical pattern recognition techniques-SVM, KNN etc.
- Dimensionality reduction techniques-PCA etc.
- Optimization techniques-PSO, DE etc.
- Clustering algorithms-KNN etc.
- Applications of ML.
- Applications in data mining and pattern recognition.
- Hands-on training on applications of ML algorithms.

Important Dates

Last date of receipt of application:

21.08.2017

Notification of selection (by Email):

23.08.2017

Registration Fee Details (in INR):

Sl. No	Participants	Reg. Fee
1.	UG Students	1,000.00
2.	PG/PhD Students	2,000.00
3.	Faculty /Industry Delegates	4,000.00
4.	Internal participants of NIT Raipur	1,000.00

Application in the prescribed format with registration fee in the form of DD (drawn in favor of "**Director, NIT Raipur**") or proof of online-transfer to the institute account must reach the coordinator (Dr R K Chaurasiya) on or before **21 August, 2017**. Registration fee includes registration kit and tea during the program. Fee is non-refundable for selected candidates.
